

Dear Friends of the Haiti Orthodox Mission,

Last year, Metropolitan Hilarion (ROCOR) blessed the Haiti Orthodox Mission Administrative office at St. Vladimir Church in Miami to establish a special St. Augustine of Jacmel Building Fund.

Our faithful in Jacmel constitute the largest of our seven Orthodox parishes in Haiti. They are very much in need of a permanent church to accommodate their growing parish which also now includes a parish school.

Because of the abject poverty in Haiti, they need financial assistance. Our clergy hope to build in Jacmel, a proper church in the Russian style. The task has become more difficult because since the earthquake in Jan. 2010, building costs have more than doubled in Haiti.

The original estimates for the church were 100 to 150 thousand dollars. Now the price will be higher and major building plan revisions will need to be made in order to bring the project within the realm of possibility for completion.

We ask you all, if you have the means to do so, to help our needy in Haiti, and donate toward the completion of this project.

The completion of a new church will bring great joy to the Faithful Orthodox in Jacmel, Haiti!
